**Program Description**

Individual and group therapy available. The therapist (1 male, 3 female) have a combined 100 years of experience. Areas of specialty include: Dealing with Anger, Anxiety, Depression, Drug/Alcohol issues, Parent-Child issues, Relationship issues, Stress management, and Work related issues. We will work to get you stabilized and ready to make the changes necessary to live a happy/healthy life. You will be in a safe environment where you can face your stressors head on and receive the support necessary to make the changes permanent.
